

Hi, my name is Hugo Im, and I was born in Boston, MA. I currently live in Bedford with my parents, my younger brother, Tate, and our dog, Lucky. I'm going to be a junior in high school in 2025 and my favorite subjects are Math, History, and Computer Science. I've been playing jazz trumpet for seven years, and I also play in a large ensemble outside of school.

I'm not a very outgoing person, but I really enjoy playing video games and listening to music in my free time.

Recently, I started volunteering to help the homeless in the Boston area. It's been a life-changing experience, and I've come to take it very seriously. Through this work, I've started to see beyond the small world I was used to, and I can feel that it's helped me grow a lot personally.
